Fiscal year 2003 (July 1, 2002 to June 30, 2003) was an exciting year for the Tampa General Hospital Foundation. Through the kindness and generosity of our friends and benefactors, we were able to raise \$2.8 million. This tremendous increase enabled the Foundation to strengthen its support to the hospital by providing \$1.1 million towards various programs, projects and services.

The generosity of our benefactors is crucial to TGH achieving its vision of being a leading medical center in Florida. Your gifts help purchase cutting-edge medical equipment, provide continuing education for the nursing and medical staff, and much more.

As we approach our 30th anniversary we are beginning to realize the dreams and aspirations of the compassionate citizens that formed the Foundation in 1974.

Today's success is credited to the actions of the business and community leaders who have volunteered their time and leadership as members of our Board of Trustees. Their influence and experience has helped shape and guide the Foundation into a true source of financial support for Tampa General Hospital.

2003 was a year filled with many special people, programs and events that helped shape and position the Foundation for continued growth.

2003 SPECIAL EVENTS

SIGNATURE EVENTS – A GREAT WAY TO GET INVOLVED

Our Signature Events are a wonderful way to raise funds for the hospital. The continuing community outreach and relationship building that results from these events is as important as the funds raised. Each event adds new friends and supporters and increases awareness of Tampa General Hospital and its programs and services.

The TGH Foundation is proud to produce three signature events each year to benefit the programs and services of TGH.

Annual Night at the “Greatest Show on Earth”

Feld Entertainment's Ringling Brothers and Barnum & Bailey® Circus presented the 12th Annual “Night at the Circus” on January 2, 2003. The event raised \$127,000 in net proceeds for the Pediatric Emergency Care Center at TGH.

Samantha Warren, the 2003 Circus Chairperson, brought a wealth of knowledge and experience to the planning of this very worthwhile and creative event. Samantha is respected and appreciated as an involved and detail-oriented leader.

The 2003 “Moments In Time” Gala

The 2003 “Moments In Time” Gala was a huge success. The theme brought the Fabulous Fifties alive at Crown Lanes.

Guests arrived in letter sweaters, poodle skirts, and saddle shoes and enjoyed a nostalgic trip down memory lane. They bowled, danced, and enjoyed a Las Vegas Night Club with acts saluting the fifties' biggest entertainers. The event surpassed the TGH Foundation's goal by netting \$130,000 for the Pediatric Emergency Care Center at TGH. The event also won the “Most Creative and Fun Event” of 2003 from *Cultural Affairs Magazine*. Debra Roberts, the 2003 Chairperson, is well known in our community for her dedication and support of many local charities. We are so fortunate that she has joined the TGH Foundation family.

The 5th Annual Golf Tournament

In its fifth year, this exclusive event surpassed the TGH Foundation's goal by netting \$145,000. Held on November 3, at Old Memorial Golf Club, 72 golfers enjoyed beautiful weather and excellent course conditions.

The event co-chairs, Joe Taggart and Al Silva, provided exceptional support to the planning committee. Their professional contributions are key to the tournament's success.

left to right: Patsy Woodroffe, Lynn Fluharty, Robin DeLaVergne, Stacey Packer, Samantha Warren, McIver Berner and Sandy Thomas enjoy a night at the circus.

Debra Roberts, chairperson of the 2003 “Moments In Time” Gala.

left to right: Rick Thomas, Stella Thayer, Stacey Packer, Walter Baldwin and Joe Taggart at the Annual Golf Tournament.

Other annual events include:

2003 Annual Dinner

The 29th Annual Dinner of the Foundation was held on September 16 at the Tampa Yacht and Country Club. The annual dinner provides an opportunity for Foundation leaders and supporters to review our accomplishments of the past year.

Stella Ferguson Thayer presented the 2003 James M. "Red" McEwen Award to Ron & Sandy Smith. This award recognizes those whose past efforts, good works and service have contributed most significantly to the betterment of Tampa General Hospital. Laura Blain, TGH Auxiliary member, presented the Madeleine P. Gibbons award to Mary Lavette in recognition for her outstanding service as a TGH volunteer.

White Coat Mini-Internship Program

TGH's White Coat Mini-Internship Program allows community and business leaders to experience a major teaching hospital from an insider's point of view. Each intern is paired with a TGH physician for an entire day. Nothing is prearranged or "sugar coated." The intern accompanies their physician everywhere – on rounds, in patient consultations, and even into the operating room. Our goal is to give the interns a real day in the life of a physician with all its intensity, drama and complexity. It is an opportunity not only to demonstrate the expertise of our physicians and staff, but also their humanity. The White Coat Program was held three times in 2003 with a total of fifty interns completing the program. Since the program began at the hospital in the spring of 2000, 126 interns have completed the program.

Mary Lavette accepts the Madeleine P. Gibbons Award from Laura Blain at the 2003 Annual Dinner.

Kathy Castor spends time at Genesis with Catherine Lynch, M.D. during the White Coat Program.

2003 SPECIAL EQUIPMENT

Technology is vital to how we are able to treat and care for patients. Technological advancements in equipment are changing how medical students are taught, how diseases can be diagnosed and how patients are treated.

In 2003, Foundation funds enabled the hospital to purchase two highly specialized pieces of equipment, the MIST-4 Virtual Reality Simulator and the Fluorescent In Situ Hybridization Microscope. These pieces of equipment will enhance clinical staff's ability to diagnose and treat patients.

left photo: Fluorescent In Situ Hybridization (FISH) Microscope - this technology detects changes and abnormalities at the cell DNA level. right photo: MIST-4 Virtual Reality Simulator enhances the training available at TGH to surgical residents.

left to right: Dee Jeffers, Ron Hytoff, Sandy Thomas & Stacey Packer enjoy the Patrons' Party at the Circus.

2003 SPECIAL PEOPLE

Bronson and Stella Thayer

Bronson and Stella Thayer are well known throughout our community for their tireless efforts to improve the Tampa Bay area through their generous philanthropic support and civic partnerships. Mr. and Mrs. Thayer have been long-standing supporters of Tampa General Hospital beginning in the early 1980's, when Mrs. Thayer served as Chairman and member of the Hillsborough County Hospital Authority Board.

In 2002, the Foundation was very fortunate when Mrs. Thayer agreed to Chair the Tampa General Hospital Foundation Board of Trustees. Through her leadership, the Foundation has continued to prosper and grow.

In 2003, the Foundation was the recipient of the Thayer's outstanding generosity when Mr. and Mrs. Thayer committed \$1 million to the "Building on Excellence" campaign. This is the largest gift the Foundation has ever received and truly marks a milestone in the Foundation's history. This gift will not only benefit the patients and families that will utilize the new Emergency and Trauma departments, but also establish the Foundation as a real source of financial support for Tampa General Hospital.

Ron and Sandy Smith

If you met Ron and Sandy Smith, you would be hard pressed to get them to talk about themselves, or about how much they have done for our patients and families. Ron and Sandy are a husband and wife team who are the driving force behind the annual International Brotherhood of Electrical Workers (IBEW) Local 108 Charity Golf Tournament, which has raised over \$100,000 for the Tampa General Hospital Regional Burn Center. The IBEW Local 108 Burn Center Endowment and the IBEW Family Crisis Fund provide critical support for patients and families in need, as well as continuing education opportunities for medical staff. Ron & Sandy also raise money for our Children's Medical Center.

In October 2003, the Smiths were awarded the James M. "Red" McEwen Award for their long-standing friendship with the Tampa General Hospital Foundation. The hospital and the Foundation are grateful to have the Smiths and the IBEW Local 108 as partners in helping the patients and families of our Burn Center.

Special Partners - The IBEW Local 108 and TECO partner together each year to provide essential support for the patients and families of the TGH Regional Burn Center. The Foundation and TGH are touched by the kindness and generosity of TECO and the IBEW.

Scholarship recipients get a chance to thank Al Silva and Carter McCain, Foundation board of trustees and scholarship committee members, at the Foundation's Annual Report Dinner. Left to right: Al Silva, Carmen Pizarro, Leah Godfrey (Director of Nursing Administration), Rosa Rodriguez, Kelly Singletary, Katrina Yorkey and Carter McCain.

2003 SPECIAL PROGRAMS

Nursing Scholarships

Tampa General Hospital and the Foundation partnered together this past summer to begin an innovative new nursing program, which allows qualified employees the opportunity to "earn while they learn." Employees are able to attend school full-time and work part-time, maintaining their jobs and benefits. TGH was able to increase the number of recipients into the program, thanks to the generosity of the **William A. Gregory Jr. Foundation**.

The Foundation and TGH hope to continue to expand this program and become more involved in finding a solution to the critical nursing shortage that is threatening the United States.

"Through the generosity of the TGH Foundation, it will be possible for me and the other scholarship recipients to join an outstanding staff of caring nurses at TGH. I believe this program will become a cornerstone in how to develop a better workplace by providing employees with educational advancement." —

Katrina Yorkey, SDU – Unit Coordinator/PCT

"Building on Excellence" Campaign – Community Donors

Tampa General Hospital Foundation is proud to announce its first ever multi-million dollar capital campaign entitled, "Building on Excellence." The campaign is being co-chaired by current Foundation board chair, Stella Ferguson Thayer and immediate past chairman, James W. Warren, III. The campaign seeks to raise \$10 million in support of the hospital's plan to build a new, state-of-the-art Trauma and Emergency Center, as part of the \$120 million hospital-wide expansion program.

The focus of the campaign in this past year has been on the many members of the "TGH Family." The Family is composed of those who are closest to the hospital including the members of the hospital and Foundation boards, the staff, physicians and volunteers. We are very

pleased to report that in 2003 these groups raised \$3.5 million in support of the goal. As we bring the campaign to our many benefactors and friends in the Tampa Bay community, their generous support will send a clear message to all that they believe in this campaign and in TGH. We are extremely grateful to all of our donors in 2003 that have set the pace for the campaign's success in 2004.

“Building on Excellence” Campaign – Employee Donors

There is no doubt about it; Tampa General Hospital employees are extremely generous! TGH employees actively donate their time and their financial resources to the hospital and many charities in our community. Their compassion does not end when they leave work, but continues to help underserved populations, animals, children and much more.

In 2003, when the Foundation launched its “Building on Excellence” campaign, we went to the people that know the hospital the best, the employees. . . and they responded enthusiastically, contributing (in gifts and pledges) over \$485,000. These gifts support the new expansion as well as other areas that are essential to the patients we serve. The Foundation is extremely grateful to all the employees that participated in this historic campaign!

Planned Giving

“I would rather die a poor man than be a Vanderbilt and know that at the end of my life I had failed to help one needy person who came to me for assistance. I do not care to make money unless I can make it serve the needs of my fellow man.”

Gordon Keller (October 1865 to July 1909)
Tampa businessman and beloved citizen

For many of us, planned giving provides a wonderful opportunity to make a significant contribution to our favorite charity, while providing a tax benefit or life income for our family or ourselves.

A planned gift takes into account a number of factors essential to the individual, most significantly, the purpose of the gift. No other method of giving is as personalized or meaningful to an individual or organization as a planned gift. Planned giving allows us all an opportunity to impact the future today, while leaving our legacy for tomorrow.

There were three families that notified the Foundation in 2003 of their intention to leave their legacy in a planned gift to the Foundation. Because of their kindness, the Foundation will be able to continue to support the hospital for many years to come.
