2014 NIGHT AT THE CIRCUS

Tampa General Hospital Foundation's 23rd Annual "Night at the Circus" was a fantastic success! This year's event was held on January 2, 2014, at the Tampa Bay Times Forum, and the event committee was chaired by Alexis Ciesla and Jennifer Stauffer. As long-standing members of the committee, Alexis and Jennifer were thrilled to serve their first year as co-chairs. Aiming for both fun and efficiency, the chairs went to work fine-tuning the Patrons' Party and creating new sponsorship opportunities. The ladies not only led a passionate committee, but continued to raise awareness for Tampa General Hospital and the TGH Foundation throughout the community.

Each year, \$2,500 sponsors (and above) are invited to attend the Patrons' Party preceding the circus performance. This year, 500 guests feasted on delicious treats while the ringmaster and circus performers roamed the room. Kids and adults alike were wowed by jugglers and balloon twisters while they danced the

night away, thanks to our fabulous DJ. Whether getting their faces painted like their favorite character or hamming it up in this year's new photo booth, a wonderful time was had by all. Net proceeds of \$222,000 from this year's event will benefit the Children's Medical Center.

The TGH Foundation donated 1,200 tickets to local charities this year so some of those less fortunate would have an opportunity to attend and experience the thrill of the *Ringling Bros. and Barnum & Bailey® Circus – The Greatest Show on Earth®*

Committee members Lisa Robey and Lavanya Bukkatnam show off this year's glitzy committee shirts.

From the Chair

I am very pleased to report that the Foundation completed a very successful 2013. Attendance at our events continues to grow, as well as the funds we raise to support the efforts of the hospital. Of course, our success relies on the ongoing efforts of both staff and volunteers of the TGH Foundation, and most importantly, you—our donors.

As usual, the 2014 Night at the Circus continued to be a marquee event and was sold out, as was our Annual Dinner. Our co-chairs, Alexis Ciesla and Jennifer Stauffer, did an outstanding job of ensuring that many children and adults enjoyed a fun evening under “the big top.” Also, thanks to our ticket coordinator, McIver Berner Grim, who made sure tickets found their way to many deserving children. A big thank you goes to our sponsors who donated tickets to local children’s charities. This event would not be possible without our strong partnership with Feld Entertainment.

Our 17th Annual Gala is just around the corner. Make sure you save Saturday, April 5, as that evening we will be celebrating

at the Grand Hyatt Tampa Bay. Our theme this year is “Come Together – A Tribute to the Beatles.” Chairs Catherine Christie-Zanghi, Gretchen Dominguez and Heidrun Divers promise us a fun evening. Back for the second year will be our After Party for young professionals and USF residents and fellows, chaired by Michael Blasco and Noelle and Michael Muniz.

Thanks to the hard work of our mini-campaign chairs, Drew Graham for transplant and Jon Yob and Lisa Pizarro-Yob for palliative care, along with their physician champions Dr. Victor Bowers and Dr. Howard Tuch and their hardworking committees, we are very close to reaching both goals. If you have not already, I hope that you will consider using the enclosed envelope and join me in making a donation to one of the two campaigns.

Wheelchair Rugby Players Compete in International Tournament

court and attempt to cross over their opponent's goal line. While the offense is trying to advance the ball, the defensive team tries to take the ball away from the opposing team. Players must dribble or pass the ball every 10 seconds and must score within a 40-second time limit. Players are allowed to ram into one another, often resulting in exciting hits and players getting knocked over.

During this year's three-day tournament, the Tampa Generals placed fourth out of eight teams, said the team's co-captain Justin Stark, Director of the Florida Spinal Cord Injury Resource Center, which is located in the TGH Rehabilitation Center.

Wheelchair rugby helps players in many ways, said Justin. "You're out there competing and training and you get better physically," he said. Players also benefit socially because they are surrounded by people who have had similar injuries and hardships, he said.

Operation Santa Brings Many Smiles to TGH Pediatric Patients

We would like to send a big thank you to the generous donors who helped make the holidays a little brighter at Tampa General Hospital by supporting Operation Santa! Over the holiday season, Operation Santa raised over \$16,000 to benefit Tampa General Hospital's Children's Medical Center. In addition to the dollars raised, many companies, organizations and individuals came to visit the Children's Medical Center bearing gifts valued at \$3,300.

Donations to Operation Santa allowed us to bring Santa and all the excitement of the magical holiday season to Tampa General for our littlest patients who were too sick to be at home for the holidays with their families. Operation Santa helps stock the toy closet not only for Christmas, but year-round, and provides a toy, a card and a smile when it's most needed.

T. Corey Neil, board member of the L.V. Thompson Family Foundation, and his family—wife April and children Carter, Ainsley and Meredith—brought presents for Santa to hand out on Christmas Eve.

Santa made a surprise visit to deliver presents to patients who were not able to be home for the holidays.

Organization Delivers Gift Baskets to Help Women with High-Risk Pregnancies

Brandy Kaveski, with her baby Zoie, received a gift basket from the High Risk Hope organization. Also pictured from left: Elizabeth Carrere, High Risk Hope's TGH coordinator; Gloribel Medina, nurse manager of the NICU and Transition Nursery; Patricia Brooks-Campbell, manager of the Ante/Postpartum Unit; Kerri Kibbey, High Risk Hope's director of operations; and Robert Yelverton Jr., M.D.

Women in the Neonatal Intensive Care and the Ante/Postpartum units recently received gift baskets full of personal items from the non-profit organization High Risk Hope.

The group provides support, encouragement, information and resources to women and families experiencing a high-risk

pregnancy resulting in hospital bed rest, potential premature birth and neonatal intensive care after delivery. During its first delivery to TGH, High Risk Hope representatives distributed bed rest baskets to long-term high-risk obstetrics patients and NICU knapsacks to families with infants in the Neonatal ICU.

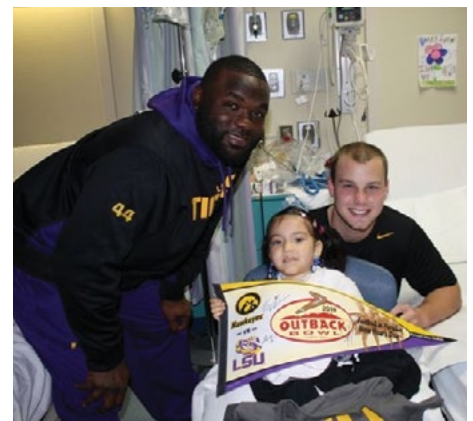

Spreading Holiday Cheer

Tampa Bay Lightning defenseman Victor Hedman and center Alex Killorn visited with patients in the TGH pediatric dialysis unit.

Tampa Bay Lightning player Anders Lindback and his teammates recently visited the hospital to spread some holiday cheer to our pediatric patients.

Outback Bowl football players from Louisiana State and the University of Iowa took time to visit Children's Medical Center patients, including Ariela Gomez.

The Wine Event

On Wednesday, November 13, 2013, NorthStar Bank— located in the Cube at the Sykes building—hosted The Wine Event, to benefit the Palliative Care campaign.

This first-of-its-kind event for the TGH Foundation drew over 120 people who showed up to enter their favorite bottle into a competitive wine tasting. The Wine Event featured 60 bottles mixed between red and white wine. Each wine was placed in a brown bag and numbered. Participants sampled each one and then voted for their favorite.

The winners each received a very nice prize package made up of all of the wines that were entered in the competition. The event raised over \$5,000 for the Palliative Care program. The response was so good that the committee, chaired by Chris Coram, Tom Loncar, Matt Wash and Stephanie Wiendl, is already planning the next event.

The winning wines were:

Red: 1st Place **Liberty Cabernet Sauvignon, 2010**
2nd Place **Milano Cabernet Sauvignon, 2003**

White: 1st Place **Simi Chardonnay, 2011**
2nd Place **Bouchard Aine & Fils Chardonnay, 2011**

Thanks to all who participated. We hope to see you at the next one!
